

A modern interior design featuring a large, textured wall panel in a living area and a dining area. The wall panel has a mottled, stone-like texture. To the left of the panel is a built-in shelving unit with warm lighting. To the right is a dining area with a round table, modern chairs, and a glass-fronted cabinet. The ceiling has recessed lighting, and the floor is polished and reflective.

SPC Wall Sheet (Matt Sheet)

Specification

ITEM	SPC Wall Sheet (Matt Sheet)
Length	2440mm
Width	1200mm
Thickness	3mm
Density	2000kg/m3
Fire Resistance	B1

Advantage

Water Proof

PVC Panel has the advantage of being waterproof and moisture-resistant, addressing the weakness of traditional wall panels that are susceptible to water.

Fireproof

The combustion test level reaches B1, and the material is effectively fireproof.

Diverse design options

Offer a wide range of textures and colors suitable for various interior design styles, meeting diverse needs.

Easy to clean

The surface is smooth and easy to clean, preventing the accumulation of stains.

Easy to Install

Installation is convenient, saving a considerable amount of time and money.

Application

TV wall

Kitchen wall

Washroom wall

Reception

Hotel wall
